GAS CYLINDER CAGES

GAS CYLINDER CAGES

The MAXSafe® Gas Cylinder Storage Cages offer a cost effective way of providing a lockable enclosure for storing gas cylinders vertically and fully complying with AS/NZS 1596 and AS4332.

There are 6 types available to cater for different circumstances, and all are suitable for aerosol storage as well. Our cages come with relevant signage and magnetic door closures for safety.

- ✓ Lockable
- ✓ Magnetic Door Closures
- ✓ Reduces Risk

4 FORKLIFT CYLINDERS

SIZE: 787 x 762 x 890 mm

PRODUCT CODE: MAX-GSC01
