

2L Hydration Backpack

SKU: CW-2LHBPO, CW-2LHBPY

The CoolWorker 2L High-Visibility Hydration Backpack with reflective Day/Night tape is supplied with a 2L hydration reservoir. The slim-line twin-compartment design provides enough room for your phone, keys, and smaller accessories yet remains small enough not to be bulky when in use.

FEATURES

- Includes a premium 2L TPU hydration reservoir
- Twin compartment slimline design
- Reflective Day/Night tape increases visibility and safety
- Dual shoulder duct hydration tube ports
- Action Back Extreme padded harness system
- Vented mesh shoulder straps improve airflow
- Sternum strap for increased pack stability
- Front zip pocket with phone pouch
