# Modular Workshop Flooring

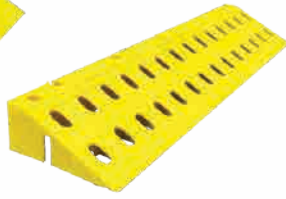

Our new lightweight, modular flooring system is perfect for walkway delineation, in heavy workshops where dust, dirt, and liquids are a common theme. With its anti-slip surface, open mesh design, it is an economical and practical replacement for painted walkways.

## FEATURES

- Anti-slip
- 10 tonne load rating
- Can be fixed permanently
- Clean with pressure washer
- Hi-viz yellow edging
- No drying time (like paint)
- Lightweight for easy install
- Any size and shape can be made
