Solar LED Traffic Signs

Radar Speed Sign on Tripod

- 100% Australian designed & made
- Long battery life
- Quick setup
- Portable and easy to transport
- Lightweight, easy for one person to manoeuvre

PRODUCT CODE: MAX-STS08

Suitable for any location and without the need for time consuming and costly installation, the signs are temporary and moveable. They can be set up to run day and/or night, with the override switch, so the bright LED lights can function in any environment and condition.

FEATURES

- Solar charging (8 hours) or can be manually charged
- Will run for 7 days once fully charged
- Includes a day/night override switch
